Garage Sale

Karen will ask Jim for text from last year to advertise in paper.

Jim has big signs. Tom has little signs. Signs will go up June 4th. Tom called for dumpster. Only 1 dumpster this year. Discussed putting a sign up at dumpster to not overfill. If abused, a dumpster will not be provided next year. Useful items can be taken to Goodwill. Cornerstone will come pick up items. Karen will post on FB these suggestions.

Tree Spray

TruGreen sprayed. Karen's trees have blight, not beetles. Residences should be aware there can be other diseases or problems with their trees.
