

COUNTRYSIDE SOUTH

HOME OWNER'S ASSOCIATION

Rummage Sale

The Annual Countryside South rummage sale is Saturday, June 8th from 8am-2pm. Ads are being placed in the Rapid City Journal Classified section as well as Craigslist. Signs will be going up in the neighborhood announcing the rummage sale. This is a great time for you to gather your items and host a sale in your garage as traffic will, hopefully, be quite high in the area.

Dumpster Use

A dumpster will be placed in the graveled lot in the center of the neighborhood for you to throw away items that don't sell or junk that has gathered over the last year. Do not put flammable material such as gas or batteries in the dumpster. Also do not place in the dumpster electronics like TV's and computers or cardboard and grass clippings which are recyclable. Please, do not lay materials on the ground next to it—all items must be placed within the dumpster and not above the height of the dumpster.

Graveled Lot

A reminder that the graveled lot in the center of the neighborhood is not meant for additional parking or parking RV's or large vehicles. Per our covenants RV's, boats, and campers are to be stored in your garage or an off-site storage unit—not on driveways, streets, or the graveled lot.
